

Update to Parish Council on 16<sup>th</sup> Jan 2014

A quick aside, the web site is been hacked, I am working with the support people to resolve the issue, interesting that someone is interested in our site...

On the other item in the Internet, we have a Facebook page for the Neighbourhood plan.

<https://www.facebook.com/WithingtonGroupNeighbourhoodPlan>

Now the important update.

Tomorrow we have our first of six open sessions for the input into the plan.

We need your help, with the six sessions, we would ideally like to have 2 people supporting the event at any one time.

A calendar has been passed around for you to add your name when it is suitable for you to help support the Neighbourhood plan open session. Yes it could be a lot of standing around, that is why we would like two people, someone to talk with....a chance to get to know your fellow councillors better.

In a mail sent on Monday, is a slide in pdf format that gives details of the setup and the facebook account as well as the takeaway we are asking people to take should they wish to.

Thanks and see you at the opens days both as supporters and also as people to add your own views of how the parish should move forward. Sorry, bring your own refreshments.

Any questions
